Dear Sir,

Re: Domain name [www.midletonmidmayfestival.ie](http://www.midletonmidmayfestival.ie)

I confirm that 'Midleton Mid-May Arts Festival' is an Unincorporated Association. The activity of the organisation is a number of local Midleton people have come together to create a festival that celebrates local community, art and the artists who produce it.

I chose the above domain name because it reflects the organisations name.

Yours faithfully  
Joe Walsh
